Island hopping in Japan's northernmost National Park

Discover rich ocean life while sea kayaking

Hiking on Rebun Island

Savour the Northern Islands' seafood

## Overview

Japan's northernmost National Park, Rishiri-Rebun-Sarobetsu, is a treasure chest full of off the beaten path adventures and the distinctive natural beauty that this subarctic region of Hokkaido has to offer. From its wild coastlines to mountain landscapes, Japan's northern frontier will quench your thirst for adventure - this is a once a lifetime experience! There is no other place in Japan where you can explore the striking Siberia-like landscapes in such close proximity to the ocean, fishing villages and rural settlements. This tour is perfect for adventurers who dream of deep exploration into remote corners of Japan where most travellers will never have the opportunity to visit.
